Our Profile

Muthirai is one of the leading IPR firms in India. We share our success with our clients for almost 20 + years and still going strong. The fact that we value strong concepts like customer centric, timely delivery, honest response, and professional assistance that make our company's blue print, is an unshakable ethics that we follow. We are not only expertise in trademark registration but also every aspect of the growth of your valuable brand. Running a business is the only thing a business owner should worry about, providing protection and brand developing advice and assistance is our job. Leave your business development to us and simply run your business hassle free.

More than 6000+ trademarks have been registered and our happy clients are our asset. Our goodwill is almost always known through word of mouth from clients we have serviced. Not only in India but we have associates worldwide, Usa, Canada, Australia, London, Singapore Malasia, Srilanka, Switzerland to name a few countries. We have adopted an all digital process where we don't even have to meet a client personally to fulfill their requirements. We would be your reliable agency to choose and keep for rest of your required services. Welcome to Muthirai.
